**Subject:** Connecticut State Council Motion Passed

Jean,

You have full support from the Connecticut State Council of the Vietnam Veterans of America. I made the motion this morning at our meeting in Rocky Hill and received a unanimous "Yea" vote. The State Council represents over 550 members throughout the state.

-----  
Motion before the Connecticut State Council of Vietnam Veterans of America, Inc  
18 March 2007

That the Connecticut State Council of the Vietnam Veterans of America, Inc. support the Connecticut Vietnam Veterans Memorial (CVVM) Inc., a non-profit (501c (3)) organization, to include active participation in any fundraisers that are scheduled, to help promote public awareness of the CVVM Inc efforts, and to assist the CVVM Inc in achieving its goal to erect the state-wide Connecticut Vietnam Veterans Memorial on the grounds of Veterans' Memorial Green in Coventry CT.

Linda Schwartz showed up later on in the meeting, asked if everyone saw the Hartford Courant article, and said she would support you. She is also a life member of the VVA in the Norwich Chapter 270.
